If all the information is correct, the registration document can be viewed and printed by clicking on "Print registration application". The printout has the value of a personal summary; therefore, it is NOT necessary to go to the PhD Office.

If you want to delete or modify the online enrollment form click on 'New enrollment'. The system will delete the old enrollment and accept the new one.

### **3° Phase: Registration fee payment**

You will then have to pay the registration fee of € 208.00 through PagoPA following the instructions available on the page <https://www.unipd.it/en/pago-pa>.

Enrollment will be verified and finalized after the acquisition of the payment of the registration fee; the PhD office will make a telephone or e-mail contact only if the documentation is incomplete. **We therefore recommend that you pay the fee as soon as possible.**

**Failure to submit the enrollment form and the relevant attachments by 15<sup>th</sup> July 2026 at 13:00 (CEST) and payment of the registration fee by 15<sup>th</sup> July 2026 at 23:59 (CEST), will be considered as firm withdrawal from the place/scholarship.** Therefore, failure to meet the deadline will result in the loss of the entitlement to enroll in the specific Course and no justification will be accepted for the delay. The place will be considered vacant and available for replacements.

Should any places with funding become available following withdrawals, the other eligible candidates in the ranking will be contacted by the Office and may apply for such vacant places.

The following will not be accepted as proof of enrollment:

- only the payment of the contribution of euro 208,00
- only the online completing of the enrollment form

These are important in case you forget your password, or it expires and you need to set a new one. Your security questions are the only way you'll be able to set up a new password. Once you'll have filled in correctly the fields, this method will substitute any other password recovery procedure. Please pay attention when you set your secret questions and answers. If you forget the answers to your security questions, you will have to go the University's secretary's office with a valid ID to set up a new password.</div> <div><b>Information</b><br/>Hai impostato il cellulare?
