

UNIVERSITY OF PADOVA ENROLLMENT PROCEDURE PhD COURSES 42nd SERIES - A.Y. 2026/2027

The enrollment procedure in the PhD courses at the University of Padova is organized in three phases:

- 1) Registration in the University online system UNIWEB
- 2) Completing the online enrollment form and upload attachments
- 3) Registration fee payment

The online procedure is open from 7 to 23 July 2026 at 13.00 (CEST)

1° Phase: Registration in the University online system UNIWEB

1. From the website <https://www.unipd.it/en/> click on “Services” in the top right menu and select Uniweb
2. From the menu on top right side:
 - a) click on Login (if you have been previously enrolled at the University of Padova)
 - b) click on Registration (if you have never been previously enrolled at the University of Padova)
 - c) click on “Forgotten password” (if you don’t remember your username and password or if they have expired).
3. Once you have logged in click on ‘Home’ from the menu on the top right side.
4. In the section Master data you must check or update your personal data and contact details (residence and domicile addresses, email, phone numbers), and check the authorizations on the communications of your personal data.
You should then fill in the data of your bank account by clicking on ‘Home’ – ‘Master data’ – ‘Edit bank account refund data’. From the dropdown menu click on ‘Rimborso Bonifico Bancario’ and fill in the data requested. The student must be the account owner.
If you do not have a bank account yet, these data must be filled in by 7 October 2026. If you do not meet the aforementioned deadline, there may be problems in the payment of the PhD scholarship.

2° Phase: Completing the online enrollment form and upload attachments

1. Click on ‘Home’ -> ‘Enrolment’ -> ‘Enrolment’ -> ‘Enrolment’ -> “Standard” and then on ‘Enrolment in unlimited-place degree courses’ and finally on ‘PhD courses’.
2. Choose the course you want to enroll in.
3. **Important notice:** Simultaneous enrollment in two courses of study.
 - Candidates enrolling for the academic year 2026/2027 in a Doctoral Course without another simultaneous enrollment: please answer “No” to the question “I declare that I request dual enrollment as per Ministerial Decree 930 of 29 July 2022”.

- Candidates already enrolled in a study course:
 - a) If you intend to maintain a simultaneous enrollment in a study course and in the doctoral course, you must answer "Yes" to the question "I declare that I request dual enrollment as per Ministerial Decree 930 of 29 July 2022". Then, proceed to fill out the complete questionnaire.
 - b) If you are enrolled in a Medical Specialization Course, you must answer "Yes" to the question "I declare that I am requesting dual enrollment as per Ministerial Decree 930 of 29 July 2022" and attach the authorization of both the Medical Specialization School and the Doctoral Course, as provided for in the Call for admission.
 - c) If the study course you are currently enrolled in ends before the start of the PhD course (i.e., before November 1st, 2026), please answer "No" to the question "I declare that I am requesting dual enrollment as per Ministerial Decree 930 of 29 July 2022".
- 4. Then proceed with the rest of the enrollment by following the guided procedure.

In the case of joint attendance with Medical Specialization, also attach Form 3.

- *mandatory*: for candidates with an academic qualification awarded abroad:
 - a) in case of academic qualifications awarded in non-EU Countries: a copy, in Italian or English, of the second-cycle degree (Master's degree) as well as a copy of the certificate indicating the examinations taken and the relative grades, together with the translation, legalisation and Declaration of Value issued by Italian diplomatic or consular authorities or, alternatively, Statements of Comparability and Verification issued by ENIC-NARIC;
 - b) in case of academic qualifications awarded in European Union Countries: Diploma and Diploma Supplement in English for the second-cycle qualification (Master's degree) or,

alternatively, Statements of Comparability and Verification issued by ENIC-NARIC centres;

9. The data of the first enrollment in the University system will appear. Check or specify the academic year.

If all the information is correct, the registration document can be viewed and printed by clicking on "Print registration application". The printout has the value of a personal summary; therefore, it is NOT necessary to go to the PhD Office.

If you want to delete or modify the online enrollment form click on 'New enrollment'. The system will delete the old enrollment and accept the new one.

3° Phase: Registration fee payment

You will then have to pay the registration fee of € 208.00 through PagoPA following the instructions available on the page <https://www.unipd.it/en/pago-pa>

Enrollment will be verified and finalized after the acquisition of the payment of the registration fee; the PhD office will make a telephone or e-mail contact only if the documentation is incomplete. **We therefore recommend that you pay the fee as soon as possible.**

Failure to submit the enrollment form and the relevant attachments by 23 July 2026 at 13.00 (CEST) and payment of the registration fee by 23 July 2026 at 23.59 (CEST), will be considered as firm withdrawal from the place/scholarship. Therefore, failure to meet the deadline will result in the loss of the entitlement to enroll in the specific Course and no justification will be accepted for the delay. The place will be considered vacant and available for replacements.

Should any places with funding become available following withdrawals, the following may apply for such vacant places: winners who already enrolled without scholarship, winners of a place without funding who haven't enrolled by the deadline for the enrolment, the other eligible candidates in the ranking. Those candidates who within the application form indicated that they competed exclusively for unfunded places cannot apply for vacant places with fundings.

Please verify at the following link <https://www.unipd.it/bandi-graduatorie-dottorati> under SUBENTRI (Vacant Places) the information on the procedures and the deadlines for vacant places.

The following will not be accepted as proof of enrollment:

- only the payment of the contribution of euro 208,00
- only the online completing of the enrollment form
