If you have already confirmed the Application for benefits on Uniweb, you will receive an email notification of ISEE discrepancies. The email will be sent periodically, whenever the system does not find a correct certificate in the INPS database.

You must then apply for a new ISEE certificate within the aforementioned deadlines, and make sure you include all the missing income and assets.

As soon as the new corrected certificate is available in the INPS database, the system will automatically acquire it. It is therefore not necessary to fill in the Application again.

Only if the discrepancies persist, please contact our office at benefici.studenti@unipd.it.

2. HOW TO OBTAIN YOUR ISEE

WHAT IS THE ISEE	The ISEE is an official certificate which indicates your financial standing in any given year on the basis of family status, earnings, property and expenses. You will need to provide information and documentation regarding you and your family's annual income and assets.
TYPES OF ISEE	• ISEE for benefits related to the Right to Higher Education, for Italian students residing in Italy (or foreign students residing in Italy and whose income exceeds € 9,000.00) • ISEE Parificato for international students: ○ residing abroad, and whose family resides abroad ○ residing in Italy, whose income is less than € 9,000.00 and whose family resides abroad ○ or Italian students residing abroad, whether they are registered or not in the "Anagrafe Italiani Residenti all'Estero - AIRE" (Registry of Italians Residing Abroad)
WHO CAN ISSUE THE ISEE	• ISEE per le Prestazioni agevolate per il Diritto allo Studio universitario (i.e. ISEE for benefits related to the Right to Higher Education): issued by the INPS online portal (Italian Social Security Institution) or by a CAF (tax assistance centre) or any other authorised organization • ISEE Parificato (i.e. equivalent ISEE): issued by the University's partner CAF exclusively
ESSENTIAL FEATURES OF THE ISEE	• it must be issued for "Prestazioni Agevolate per il Diritto allo Studio Universitario" on your behalf, which means that your tax identification number must follow this statement, as only you are entitled to the benefits • it must be valid when filling out and confirming the Application for benefits on Uniweb • there must not be omissions and/or discrepancies <u>if the ISEE certificate does not meet one or more of the above requirements, you have to apply for a new one within the aforementioned deadlines</u>
WHICH INCOME AND ASSETS	The ISEE issued during a given calendar year is valid until 31 December of the same year and refers to income and assets of the two previous years . Example: the ISEE certificate issued during 2026 expires on 31 December 2026 and refers to income and assets of the calendar year 2024.

WHOSE HOUSEHOLD	The household composition usually corresponds to what has been declared in the family status certificate. If you live independently (i.e. you do not live with your family and you earn your own income), you are allowed to apply for an ISEE solely based on your own income and assets provided that: - residence outside the family of origin for at least two years on the date the ISEE was submitted, in accommodation not owned by one of its members; - income from employment or assimilated work that has been declared for tax purposes for at least two years, not less than € 9,000.00 per year. If one or both of the above conditions are not met, you will need to apply for the ISEE based on your whole family's income. Orphans who have lost both parents and people cohabiting as members of a religious/military order or a host community, or people held in detention are always considered as single-person households.
THE CURRENT ISEE	It is an indicator calculated on the basis of an ISEE for the right to higher education with the above requirements but referring to the income of the past twelve months. You can apply for it only if the conditions imposed by the relevant regulations are met (for more information, ask a CAF/professional). If you want to use the current ISEE to apply for economic benefits, you must email the certificate to benefici.studenti@unipd.it within the aforementioned deadlines.
HOW TO APPLY FOR THE ISEE PARIFICATO	The ISEE Parificato must be issued by the University's partner CAF exclusively (the service is free of charge): CONFEURO ASS. TERR. PADOVA For information: iseeparificatounipd@gmail.com Monday and Wednesday from 2:30 p.m. to 5:30 p.m. in Galleria Ognissanti, 11 – 35129 Padova or by phone no. 328.1419141 The documents useful for the release of the ISEE Parificato, listed on the attach 1 of this guide, must be uploaded on the portal of the CAF, available at the following link: http://parificati.confeuropadova.it OTHER WAYS OF DOCUMENT DELIVERY ARE NOT ACCEPTED <u>Please be aware that you might need several months to collect the documents required to obtain the ISEE Parificato, have them translated and legalised, etc. We therefore strongly recommend to start the process as soon as possible.</u> Documents must be issued by the competent authorities of the country where the income/assets is generated/owned; income and assets must be indicated in local currency (i.e. of the country where they are generated/owned). Documents must be translated into Italian by a legally recognised translator and legalised by the Italian diplomatic authorities (Embassy or Consulate) competent for the territory in the country of origin, according the regulation listed on the attach 2 of this guide. <i>Please note:</i> only in special cases of difficulty in issuing them, it is possible to request the documentation from foreign diplomatic or consular representations in Italy and have it legalised by the Prefecture. Once you uploaded all the documents, the CAF will check them and, if they are complete and correct, you will receive by email the notification to download the ISEE certificate directly from the CAF portal. Remember that the CAF will send the ISEE value to the University only if you fill in the Application for benefits in your Uniweb. If your file needs additions, you will receive an email from CAF inviting you to access the portal to verify and replace incorrect documents. Remember that you need to upload all the corrected documents by the deadline of the benefit you want to apply for (the date of the ISEE issue will be that of the last compliant document uploaded to the portal).
